Please be advised that under Section 113(a) of the Act, 42 U.S.C. § 7413(a), failure to provide the information and documents required by this letter may result in an order requiring compliance, an order assessing an administrative penalty, or a civil action for appropriate relief. Section 113(b) of the Act, 42 U.S.C. § 7413(b), provides for the assessment of a civil penalty, which has been adjusted for inflation to \$37,500 per day, for each violation of the Act. See 40 C.F.R. § 19.4 (for penalties effective after January 12, 2009). In addition, Section 113(c) of the Act, 42 U.S.C. § 7413(c), provides criminal penalties for knowingly making any false material statement in, or omitting material information from, any report required under the Act. The information provided by the Air Force may be used by the United States in administrative, civil, or criminal proceedings.

You may, if you desire, assert a confidential business information ("CBI") claim on behalf of the Air Force covering part or all of the information provided to EPA in response to this letter. Any such CBI claim must conform to the requirements set forth in 40 C.F.R. Part 2, particularly 40 C.F.R. § 2.203, and contain supporting documentary evidence. In addition, any such claim must be substantiated in accordance with 40 C.F.R. § 2.204(e)(4).

Specify by page, paragraph and sentence when identifying information from a document where you make a CBI claim. Where your claim does not include all information on a page, please attach a copy of each such page with brackets around the text you claim to be CBI. If a page, document, or group or class of documents claimed by you to be CBI, contains a significant amount of information which our Regional Counsel determines is not CBI, your CBI claim regarding that page, document, or group or class of documents may be denied.

You are advised that certain information may be made available to the public pursuant to Section 114(c) of the Act, 42 U.S.C. § 7414(c), and 40 C.F.R. § 2.301, notwithstanding a claim that such information is entitled to confidential treatment. Please note that emission data provided pursuant to Section 114 of the Act, 42 U.S.C. § 7414, is not entitled to confidential treatment under 40 C.F.R. Part 2, Subpart B. Emission data is defined at 40 C.F.R. §§ 2.301(a)(2). If no claim of confidentiality is received with your reply, the information may be made available to the public without notice to the Air Force.

This information request is not subject to review by the Office of Management and Budget under the Paperwork Reduction Act because it is not the "collection of information" within the meaning of 44 U.S.C §§ 3502(3) and 3518(c)(1), since it is being issued during the conduct of an investigation involving the EPA against specific individuals or entities. See also 5 C.F.R. § 1320.4.

The Air Force shall submit its response to this request postmarked no later than forty-five (45) calendar days after receipt of this letter. All information submitted in response to this request must be certified in a signed, separate statement as true, correct, accurate, and complete, to the best of his/her knowledge, by an individual with sufficient knowledge and authority to make such representations on behalf of the Air Force. On the last page of your response to this information request, include the certification contained in Enclosure 2.

If the Air Force anticipates that it will not be able to respond fully to this request within the time period specified, the Air Force must submit a sworn declaration by a responsible agency official within ten (10) calendar days after receipt of this letter specifying what information will be provided by the allotted deadline, describing the efforts that have been/are being undertaken to obtain the remaining other responsive information, and providing a detailed schedule of when such other responsive information will be provided. Upon receipt and based upon such declaration, EPA may extend the time in which to respond to this information request. Also, please contact EPA if the Air Force determines that a full response to a particular request for information would require the submission of an extremely large number of documents or data files. Based upon such notification, EPA may modify the scope of the documents required to be produced.

If you have any questions regarding this request, please contact Matt Salazar of my staff at (415) 972-3982; or your attorney can contact Daniel Reich, Office of Regional Counsel at (415) 972-3911. Thank you for your cooperation in this matter.
